22 October 1968

MEMORANDUM FOR: Chief, Information Processing Staff, OPPB

SUBJECT : National Military Command System Support Center,
File Changes

REFERENCE : Memorandum from C/IPS/OPPB to IP Coordinator
dtd 15 October 1968, same subject

OCS representatives have contacted informally the likely users of NMCSSC's Static Resource File and Special Application Files which are scheduled for format changes during the third quarter of FY-69. As best we can determine, no components in the Directorate of Science and Technology are using these files.
